Purpose

Evergreen Landcare Limited operates in erosion control, civil landscaping, and environmental contracting. Our Quality Management System (QMS) provides a systematic and documented approach to planning and implementing quality procedures, ensuring our work practices, employee awareness, and training meet New Zealand legislation, standards, industry codes, and customer expectations.

Scope

This policy applies to all Evergreen Landcare employees, contractors, and subcontractors engaged in any work or activity carried out under the Evergreen Landcare name.

Policy Statement

Evergreen Landcare is committed to:

- Satisfying all applicable quality requirements.
- Establishing, implementing, and maintaining the criteria and methods required for the effective operation and control of our quality processes.
- Documenting procedures and providing training for our quality methods of work.
- Providing support and assistance to our employees.
- Ensuring our suppliers and subcontractors conform to our quality requirements.
- Maintaining the integrity of our QMS when changes are planned or implemented.
- Continuously monitoring and improving our QMS and performance, and eliminating non-conformances through predetermined and auditable objectives and targets.
- Maintaining a customer focus to achieve customer requirements, and enhancing those requirements where possible.
- Complying with ISO 9001:2015 Quality Management Systems.
- Continually improving the quality management system.

Responsibilities

Management

Evergreen Landcare management is responsible and accountable for:

- Active involvement in the development, promotion, and implementation of this Quality Policy and our QMS procedures.
- Ensuring employees are trained in the quality performance of their assigned tasks.
- Providing the resources required to meet our quality commitment.

Employees

All employees are responsible and accountable for:

- Personal commitment to our quality procedures.
- Implementing this Quality Policy and our QMS procedures.
- Proactively responding to and reporting quality non-conformances.

Consultation and Communication

Evergreen Landcare Limited maintains open consultation and communication between management, employees, and external interested parties.

This Quality Policy is communicated to all employees through office and site inductions, notice boards, Project Management Plans, and regular toolbox and prestart meetings. It is available to the public and all interested parties, and is communicated to our suppliers and subcontractors through our procurement processes and site management procedures.

Review

This Quality Policy will be reviewed annually for suitability, adequacy, and effectiveness, and whenever required by changes in legislation, standards, industry codes, or company operations.
